**BOULDER CITY HOSPITAL FOUNDATION'S FIRST HEART OF THE COMMUNITY GALA
HONORS GARD AND FLORENCE JAMESON**

BOULDER CITY, NEVADA (APRIL 12, 2010) – More than 250 guests recently turned out for the first Heart of the Community Gala honoring Gard and Florence Jameson for their dedication to improving health in our community. The Jamesons have been longtime philanthropists in the community, supporting the works of many local nonprofits. They have called Boulder City home for 25 years and regard Boulder City Hospital as a vital and essential part of the community.

What a rewarding evening it was for the community! Guests were greeted with passed hors d'oeuvres created by Masterpiece Cuisine. They sipped on cocktails while viewing more than 50 silent auction items including gifts from Boulder Dam Brewery, Darryl Martin Art & Photography, and True Value Home Hardware. Distinguished guests included Congresswoman Dina Titus, Congresswoman Shelley Berkley, and Boulder City Councilman Cam Walker.

Harpist Kim DeLiberio provided elegant entertainment during the dinner, which was held in the Pavilion at Boulder Creek Golf Course. While Christian Kolberg, a renowned auctioneer, entertained the audience with a live auction featuring exciting packages such as *A Day with the Chief* (Chief Tom Finn) and *New Year's in Cabo San Lucas*. The bidding heated up as guests competed in the live auction for a one-of-a kind Erick Begay Heart Necklace.

Event sponsors included Epiphany Surgical Solutions, LLC, Bannerview.com, El Dorado Energy, and Sunrise Rotary. The event was a huge success and raised more than \$50,000. Proceeds from the 2010 Heart of the Community Gala benefited the Boulder City Hospital Foundation, whose purpose is to raise funds for the Boulder City Hospital, which provides quality health care close to home.

Next year's event is scheduled for Friday, April 8, 2011. For information about the event or to become a sponsor contact the Boulder City Hospital Foundation at 702-293-0214.
